1. Cor.14,40. Let all things be done decently and in order.

We, the members of the Lutheran and Reformed congregations, have under the guidance of our Lord sought to build a house for our Saviour Jesus Christ, so that our children and ourselves can be prepared through the Word of God and by the Holy Sacraments to eternal salvation. Although in one of the greatest difficulties, during the year of Christ 1773, we have (acquired) approximately sixty acres, which the Patent will prove, upon which we, in 1774, erected a schoolhouse and have our children instructed by an able schoolmaster, C.H. Kaufmann. And, also, on the Lutheran side, the Rev.M(ichael) Enderlein of the United Ministerium, and on the Reformed side by the Reverend Coetus there is administered publicly divine worship and the Holy Sacraments. We are awaiting yet at present the Patent from the land office, should therein the naming of Lutheran or Reformed be omitted, as this must be mentioned, it may be as it is, there shall be, at common cost, turned over to the not mentioned a deed, so that each congregation shall have equal rights to the land and schoolhouse and anything else. This is to be as an assurance.

(The warrant was granted on Febr.23,1790. But the deed was not secured until 1810. It is printed in Prof. John H.Carter's History of Himmel Church, founded in 1773, p.10 and reads as follows:

(Constitution of Himmel's Church. 1818.)

In the name of the triune God, the Father, the Son and the Holy Spirit. Amen.

After it pleased God Almighty to send His blessing, so that both congregations, the evangelical Lutheran as well as the Reformed congregation, along the Schwaben Creek, could start in to rebuild, for their joint use, a church during the present year 1818, in the 42nd year of the Independence of the United States, during the administration of James Monroe, President of the same, the administration of William Findlay, the Governor of our State Pennsylvania, Also we, as members of the congregations have come to an agreement on the Christian Order of Rules and the following articles, which are, for all times to be kept as such in this Church. They read as follows:

The newly erected Himmel's Church.

Art. I.

Each congregation shall call their own pastor and make arrangements and salary, according to their own pleasure, at the same time the Church Council of both congregations shall see to it, that according to Christian rules the pastors shall not on one day and hour preach or hold divine services, But that each shall keep order, as it should be.

Art. II.

As such, also the exsting schoolteacher shall in all cases serve both congregations, whers ever a schoolteacher is required. Also for the support of the same, joint provision shall be made.

All alms money which is collected by each congregation, shall be left from now on to be accounted for by each congregation, according to their discretion.

Art. IV.

Art. IV.

There shall be a seat for the elders and deacons reserved as usual, and it shall so be further complied with, that whichever pastor holds divine service, their elder and deacon shall, at all times, have possession of the front seat, and those of the other congregation will take their places in other parts of the church.

The elders and deacons of both congregations shall see to it, that not in the least any reproach be cast by one or another upon their religious services, so that it will not create offence, much more that no pastor shall be insulted.

Art. VIII.

Also each congregation can and dare keep their pastor as long as he conducts himself as a Pastor and Spiritual adviser, is impartial upright and honest. But should it happen, that one or the other Pastor does not conduct himself as a common pastor, then there shall be started on both sides, an impartial investigation and after this, both (congregations) through a majority of the actual membership, according to Mathew 18, shall judge and act.

Art. IX.

And also, of against the preceding and following articles a case arises, in which action is taken contrary to these articles, then also all actual members of the congregations shall be invited and decide by vote according to the true Christian rule. So that everything shall be decided according to the majority of votes.

(On loose sheets)

Inasmuch as the Union Church, along Schwabencreek, otherwise Himmels Church, is in general quite tumbled down, and we of both congregations find ourselves forced to erect another one, for that reason the church council and elders of the Lutheran and Reformed congregations, held a meeting today, June 14th, 1817, here in the school-house, to form a plan. These honorable men of both congregations, having come to an agreement by a majority, have drafted a plan to build, with the Lord's assistance, a union stone church, of a suitable height, approximately 20 rods from the old one towards Mr. Michael's, about 40 by 50 feet; but at such important laborious work there is not only effort needed, but also the assistance of both congregations, to procure the building material and to furnish and satisfy the laborers, the church council of both congregations has therefore resolved: First, that this church be a union church, wherein the Reformed and Lutherans can perform uninterruptedly their services. Second, Resolved: That those, having equipment, and according to their means and willingness, supply the material, such as stone, lime, lumber and all necessary material, so that the mechanics will not be delayed. The balance of the listeners to God's Word, will also perform their labor faithfully and conscientiously, on the Lord's house. Third, Resolved, That, with the help of God, the start shall be made this autumn, so that by next spring the construction can be started and be put under roof. Fourth, Resolved, That the treasurer, shall have half of the money subscribed on hand, when such is called for, and the same about the balance. For this purpose the members of both congregations, according to their means to give, will place their names and the amounts, such as for transporting, helping, etc. as follows, and that the sawyers be asked to saw these logs for their

Proceeding on the 16th of January 1841.

On Saturday, the 16th of January 1841, the church council of the Lutheran and Reformed congregations of the Himmels church, and several other church members met to deliberate, which would be the best way to renew the fence of the graveyard of the said church.

A part of those present thought it for the best if they enclosed the graveyard, on the two sides which adjoin the road, with a stone wall, but the majority was for a wooden fence, and it was now decided, that the members of the congregation should transport lumber for the posts, the rails and clapboards to the sawmills,
